

## UNIVERSAL drip hose reel

Easy to use, this machine can receive any type of sheath, flat or rigid.

This set is modular, and can be completed with options.

Thanks to the 90° tilting of the reel at the locking clevis, loading the reel is effortless, easy, safe and ergonomic.

### Option:

Cast iron ploughshare allowing a working depth of burial adjustable from 0 to 30cm

Injector with injection tube

Roller tamping machine

Hydraulic reel kit Needle

flange sets

Drawbar category 1 and 2
